ABOUT ME

Confident, motivated, and skilled web and app developer with a proven track record of success and a true passion for programming. Possessing a diverse range of abilities including proficiency in various programming languages and frameworks, I am well-prepared to excel in this role and contribute to delivering exceptional results.

EXPERIENCE

Bingtech Solutions

App Developer

Oct 2022 - Present

- Developed cross-platform mobile applications and responsive websites, contributing to a diverse range of projects.
- I showed different tech skills, worked great in teams, shared knowledge with experienced colleagues, and helped guide junior members.

Android Developer Intern

July 2022 - Oct 2022

- Developed Android applications with enhanced user experience.
- Collaborated on team-based development.
- Adapted quickly to new technologies.

Pixquire

App Developer

Dec 2020 - Jan 2022

- Utilized Java for robust app components.
- Designed engaging UI's with Flutter.

ACTIVITIES

- Mentored online tech students in programming concepts.
- Delivered online web development course, guiding a student in creating dynamic websites.
- Facilitated web and app development classes for Afghan refugees while working with BingTechs.
